

## IoA workshop: Sponsorships

### Silver Package:

For only 500\$, this package will provide you with the following:

- A presentation of 7-10 minutes about advances related to the workshop area while stating clearly the main problem you are facing and possible directions. Your problem will be discussed in the panel afterword.
- A poster with a maximum dimensions of 36x48" to be discussed personally with other experts in the workshop poster session,
- A 750x350px banner in the workshop website. This should state what your organization is about and how is it different from others.
- A logo of your organization in the front page of the workshop website with a hot-link to your organization webpage,
- A half page that include a recognition logo and a write-up (100 words) on the inside front cover of the workshop independent post-proceeding,
- Ability for flyers and Handouts distributions to the workshop attendants only through the workshop organizers,
- A view of up to 2 infographics in between talks as background transitions and during the break,
- A large size logo (Tier 1) with the rest of the sponsors placed at the entrance of the workshop room,
- A short 2-3 minutes movie describing the objective of your institution to advance this area of research to be played only once in the break time,
- A clear recognition in the distribution of calls and handouts, and
- An explicit announcement of the name of your institution and the type of sponsorship it is providing with two short sentences describing its objectives. This will be at the opening and closing statements as well as in the mid time of the workshop.

### Bronze Package:

For only 300\$, this package will provide you with the following:

- A poster with a maximum dimensions of 24x36" to be discussed in the workshop poster session,
